

Acme Corp ? Engineering Intern Onboarding Guide

Cohort: Summer 2026

Day 1 checklist

- Collect laptop and access badge from IT (Floor 3)
- Join Slack workspace: acme-eng-interns
- Complete security training module SEC-101 before Day 3

Mentorship

Each intern is assigned one mentor. Mentors meet weekly for 30 minutes.
Your first mentor meeting must be scheduled by Friday of Week 1.

Tools you will use

- GitHub for code review
- Linear for task tracking
- Notion for design docs
- DocBot for reading internal PDFs and asking grounded questions

Code of conduct highlight

Do not commit secrets (.env, API keys) to git.

Ask in #eng-help if you are blocked for more than half a day.

Evaluation

Interns present a 10-minute demo in Week 8.

Performance is rated on: delivery, code quality, communication, and learning speed.

Return offers (if any) are shared within 3 weeks after the final demo.

Office hours

Core hours are 11:00?16:00 IST for hybrid collaboration.

Remote days are Tuesday and Thursday unless your team agrees otherwise.
